

## IT IS TIME TO ACT !

**The American Christian Liberty Society** – is acting now to rollback government intrusion upon religious liberties, and their demand for identification by SSN, or biometric identifiers. Nationally respected Constitutional scholars & litigators are working on our behalf.

**The American Christian Liberty Society Trust** – Exists to pay for litigation expenses and related costs. It does not support the ACLS ministry staff.

Administrative staffing is provided by volunteer members of the American Christian Liberty Society Fellowship.
